

Reinforcement Learning for Stochastic Networks, Toulouse

Monday, June 17, 2024

Parallel session: Challenges and progress in statistical reinforcement learning - A002 (1:30 PM - 3:00 PM)

time	[id] title	presenter
1:30 PM	[37] Exploiting Structure in Undiscounted Reinforcement Learning in Markov Decision Processes	Dr ORTNER, Ronald
2:00 PM	[39] Exploration in reward machines with near-optimal regret	Dr TALEBI, Mohammad Sadegh
2:30 PM	[40] Provably Efficient Offline Reinforcement Learning in Regular Decision Processes	Dr JONSSON, Anders
