

# Reinforcement Learning for Stochastic Networks, Toulouse

## Thursday, June 20, 2024

**Parallel session: Learning and optimization - A002 (3:30 PM - 5:00 PM)**

time	[id] title	presenter
3:30 PM	[30] Matching Impatient and Heterogeneous Demand and Supply while Learning	WARD, Amy
4:00 PM	[63] Pseudo-Bayesian Optimization	CHEN, Haoxian
4:30 PM	[67] Artificial Replay: How to get the most out of your data	BANERJEE, Siddhartha
