

At the airport: After picking up your luggage, choose your means of transportation. We strongly recommend using the Uber or Bolt apps, which work seamlessly in Timișoara. A ride to the city center costs around 50-60 lei (€10-12).

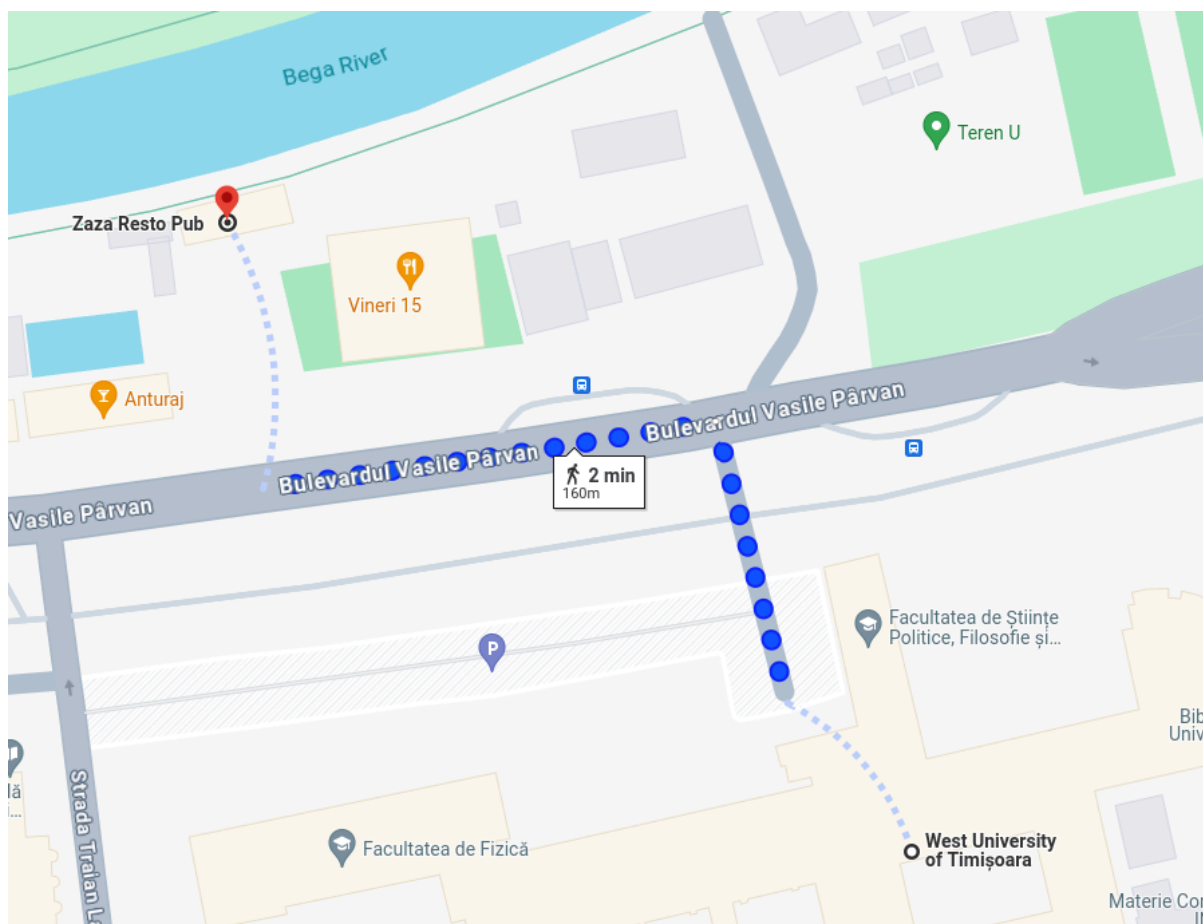

When ordering an uber, the easiest place to meet the driver is the „passenger loading area” at the roundabout, shown above.

IMPORTANT!! Try to avoid the local taxis in front of the terminal. Most of them are private and some say (or so I’ve heard...) that they are always looking for innocent tourists to scam... For more information (e.g., bus routes), please check the [conference website](#).

Conference venue:

The conference room Amphitheater A11 is located inside the main building of West University of Timisoara. From the main entrance take the stairs on your right, turn around and start crossing the hallway, the registration desk and the conference room will be on your left. You can also follow the signs inside the building.

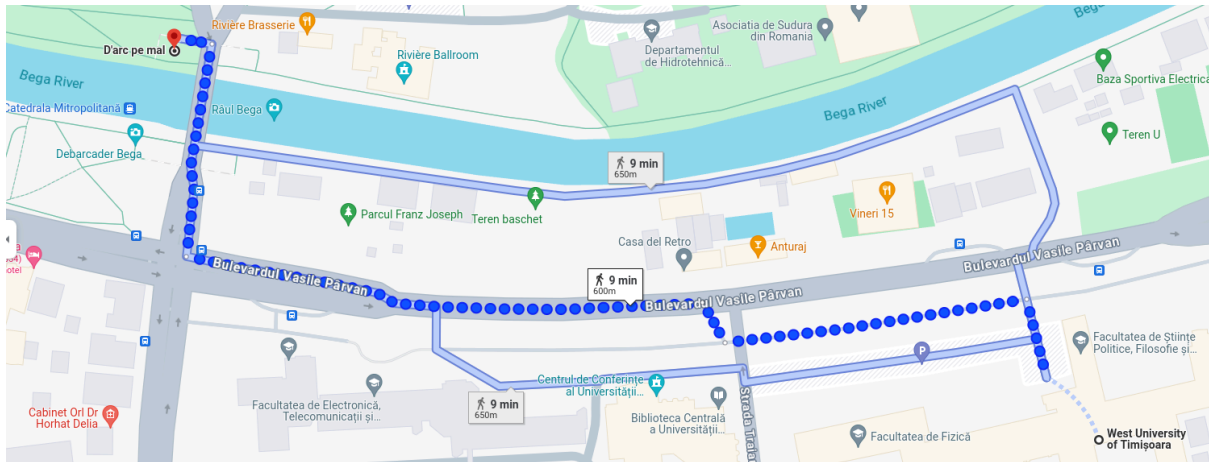

Lunch venue: We will have lunch at Zaza Resto Pub, across the street from the university:

Boat trip (Tuesday, 18:00-21:00): Our boat is called „Pelicanul” (the pelican) and it belongs to the place called „d’Arc” (the „pe mal” version = on the river bank).

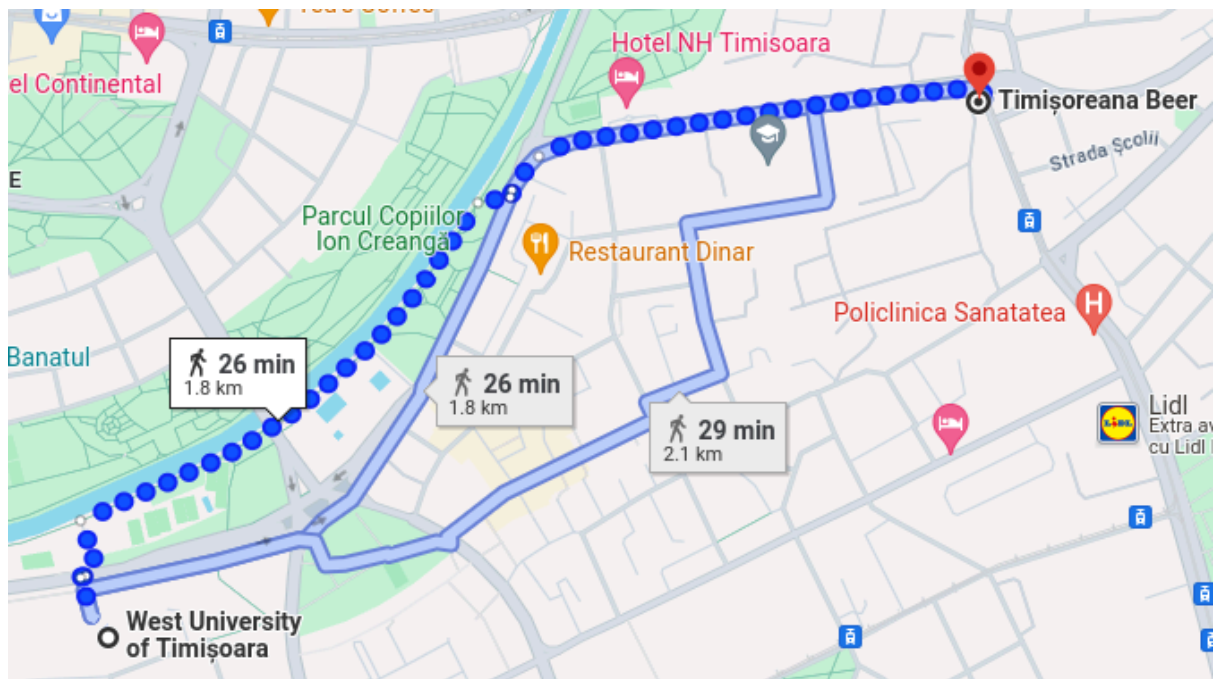

All passengers are required to embark before 18:30. We will return to d’Arc at 9 pm, with a possibility to stay a while longer. Drinks and (limited) sandwiches will be provided on board.

Conference dinner (Thursday 19:00-∞): The conference dinner takes place at Fabrica de bere Timișoreana:

If you are planning to walk, we recommend that you take the path along the Bega canal (the map shows an alternative route 2 minutes faster but significantly less scenic). The same distance can be covered in 4 minutes via uber.

When searching for directions, make sure to pick the „beer factory” restaurant, not the actual factory, pick-up or delivery place!

Conference dormitory:

Those participants who are staying in the university dormitory will receive check-in information in a separate document. The dormitory is 5-10 minutes walk from the university. The shortest path is depicted below:
