

# LMBP-ISM joint workshop

## Tuesday, 24 October 2023

### Session: Statistical Modeling - Amphi Hennequin (10:00 - 10:50)

-Conveners: François Septier

time	[id] title	presenter
10:00	[10] Generalised hyperbolic state space models with application to spatio-temporal heat wave prediction	SEPTIER, François

### Session: Statistical Modeling - Amphi Hennequin (11:00 - 11:45)

-Conveners: Daisuke Murakami

time	[id] title	presenter
11:00	[11] Sub-model aggregation for scalable spatially varying coefficient modeling	Prof. MURAKAMI, Daisuke

### Session: Statistical Modeling - Amphi Hennequin (11:45 - 12:30)

-Conveners: Keisuke Yano

time	[id] title	presenter
11:45	[12] Minimum information dependence modeling:	Prof. YANO, Keisuke
