

# Alba Málaga

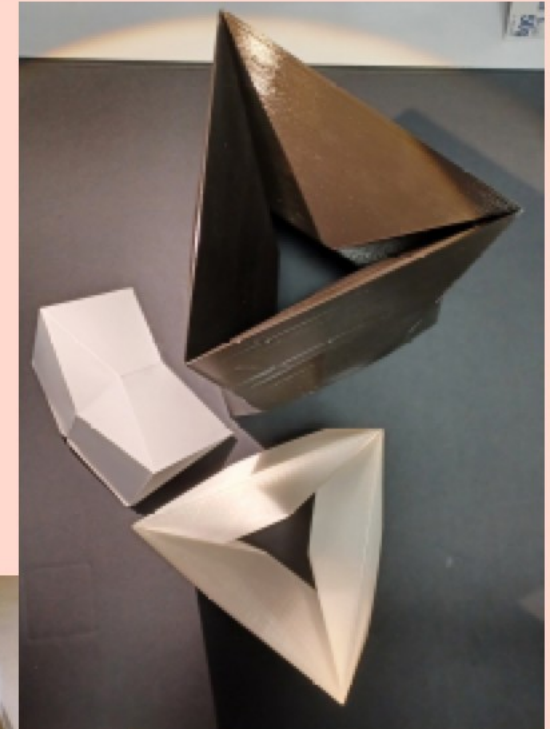

alba@albamath.com

0753265462

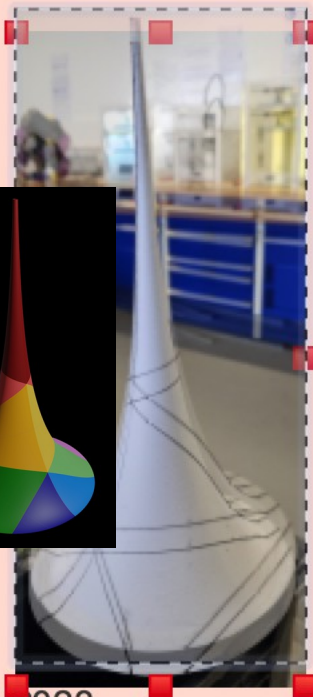

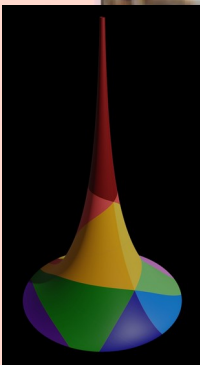

Math maker  
with strong interest in hyperbolic geometry  
and translation surfaces

- Polyhedral translation surfaces
  - Salamander (left)  
Lelièvre, Málaga 2021
  - L-shaped surface (rest)  
Tallerie 2021-2023

- Right angled regular pentagon  
Málaga 2023

- Moduli curve tiling over the pseudosphere  
Málaga, Lelièvre 2021-2023

- Diplotori  
Málaga, Lelièvre, Arnoux 2019-2024

- Polyhedral square flat torus with 18 vertices  
Lelièvre  
2023

0753265462

Math maker  
Interested in any  
mathematical object

Love helping  
people with their  
3D printing and  
laser cutting  
projects
