## $SL(3)$ Fenchel-Nielsen coordinates on the 3-punctured sphere

*mardi 20 mai 2025 16:00 (1 heure)*

In this talk I'll review how the technology of spectral networks and abelianisation leads to a higher rank version of complexified Fenchel-Nielsen coordinates on the 3-punctured sphere. This is mostly based on [arXiv:1906.04271](#).
