

Analysis and Control of Fluid-Structure Interaction Systems

Monday 02 October 2017

Afternoon 02/10/17 - Conference Hall (14:00-17:30)

time	[id] title	presenter
14:00	[30] Stability of rigid bodies with a cavity filled by a viscous liquid	Mrs DISSER, Karoline
15:00	[36] Vanishing viscosity and rugosity limit	Mr LACAVE, Christophe
16:00	Coffee break	
16:30	[33] Well-posedness of a fluid-elastic structure system	Mr GUERRERO, Sergio
