

THEMATIC SEMESTER

Interacting particles, PDEs and applications

April - December 2026

Institut de Mathématiques de
Toulouse - Amphi. Schwartz
France

Information and registration:
<https://indico.math.cnrs.fr/category/816>

Program

- 1) Summer School EUR MINT 2026 on Particle systems and PDEs (June 15-19)
- 2) Particle systems and PDEs XIV (June 22-26)
- 3) PDEs under pressure and applications in life science (October 12-16)
- 4) Online seminar

Organisation:

- Marina Ferreira (CNRS and Université de Toulouse)
- Francis Filbet (Université de Toulouse)
- Pierre Gervais (Université de Toulouse)
- Ariane Trescases (CNRS and Université de Toulouse)
