

Conference: "SINGULAR LANDSCAPES"

lundi 22 juin 2015

Morning session: GAFFNEY: Families of isolated singularities and three inspirations from Bernard Teissier - La Parrachée (10:00 - 11:00)

time	[id] title	presenter
10:00	[14] Families of isolated singularities and three inspirations from Bernard Teissier	M. GAFFNEY, Terence

Morning session: CUTKOSKY: Local monomialization of analytic maps - La Parrachée (11:30 - 12:30)

time	[id] title	presenter
11:30	[8] Local monomialization of analytic maps	M. CUTKOSKY, Steven Dale

mardi 23 juin 2015

Morning session: YU: Enumeration of curves via non-archimedean geometry (09:30 - 10:30)

Morning session: NICAISE: Refined curve counting and Hrushovski-Kazhdan motivic integration (11:00 - 12:00)

jeudi 25 juin 2015

Morning session: DRAISMA: Noetherianity up to symmetry (09:30 - 10:30)

Morning session: DIMCA: Free divisors and rational cuspidal curves in the plane (11:00 - 12:00)

vendredi 26 juin 2015

Morning session: KURDYKA: Convexifying positive polynomials and a proximity algorithm (09:00 - 10:00)

Morning session: TEMKIN: Resolution by alterations (10:30 - 11:30)

Morning session: COMTE: Sets with few rational points (11:30 - 12:30)
