

Workshop “Hamiltonian methods in strongly coupled Quantum Field Theory”

vendredi 12 janvier 2018

Fri Jan 12 - Marilyn and James Simons Conference Center (09:30 - 17:30)

time	[id] title	presenter
09:30	Morning coffee	
10:00	[16] Truncated spectrum approaches for 2D many-body quantum systems	ANDREW JAMES
11:00	Coffee break	
11:30	[18] Rare non-thermal states in the non-integrable Ising field theory	NEIL ROBINSON
12:30	Lunch buffet	
15:30	Coffee break
