

Asymptotic Behavior of systems of PDE arising in physics and biology:  
theoretical and numerical points of view (ABPDE III)

Contribution ID: 8

Type: **not specified**

**About the equilibria of a cross-diffusion system in  
population dynamics**

*Wednesday, August 29, 2018 11:10 AM (35 minutes)*

**Presenter:** Dr BREDEN, Maxime (Technical University of Munich)
