

Asymptotic Behavior of systems of PDE arising in physics and biology:
theoretical and numerical points of view (ABPDE III)

Contribution ID: 23

Type: **not specified**

**Spectral theory of a transport equation with elastic
and inelastic collision operators**

Thursday, August 30, 2018 5:30 PM (35 minutes)

Presenter: Dr AL IZERI, Abdul Majeed (Laboratoire de Mathématiques Blaise Pascal)
