

Asymptotic Behavior of systems of PDE arising in physics and biology:
theoretical and numerical points of view (ABPDE III)

ID de Contribution: 32

Type: Non spécifié

**A Multilevel Monte Carlo Method For Kinetic
Transport Equations Using Asymptotic-Preserving
Particle Schemes**

mercredi 29 août 2018 16:10 (2h 20m)

Orateur: LOEVBAK, Emil (KU Leuven)

Classification de Session: Poster session
