

Pregramme des sessions

13 décembre 2018

Dynamical aspects in variational analysis

Sylvain Sorin (Sorbonne Université): Some first order algorithms in convex optimization, no-regret learning and games

jeu. 13 décembre

14:15

15:00

Sylvain Sorin (Sorbonne Université): Some first order algorithms in convex optimization, no-regret learning and games

Session | **Site:** CMLS - Conference room, Building 6, Ecole Polytechnique
