From Non-reciprocal Acoustic Meta-Atoms to Chern Acoustic Topological Insulators

Orateur: M. FLEURY, Romain (EPF Lausanne)

ID de Contribution: 3

Type: **Non spécifié**

Topological Braiding of Majorana-like Modes in Classical Meta-Materials

mardi 30 avril 2019 14:00 (1 heure)

Topological Braiding of Majorana-like Modes in Classical Meta-Materials

Orateur: PRODAN, Emil (Yeshiva University)

ID de Contribution: 4

Type: **Non spécifié**

Topological Dynamics from life science to metamaterials

mardi 30 avril 2019 15:15 (1 heure)

Topological Dynamics from life science to metamaterials

Orateur: Mme PRODAN, Camelia (New Jersey Institut of Technology)
