

Motives, quadratic forms and arithmetic

mercredi 26 octobre 2022

Wednesday morning (09:00 - 12:35)

time	[id] title	presenter
09:00	[17] Representing Hodge realization	LECOMTE, Florence
10:00	Coffee break	
10:15	[11] HKR theorem and residue sequences for logarithmic Hochschild homology	BINDA, Federico
11:15	Coffee break	
11:35	[7] Unramified cohomology and P^1 -invariance	YAMAZAKI, Takao
