

IHES Summer School on
“The Langlands Programme”
11-29 July 2022

COVID Protocole

The IHES management has decided to accept the occupancy of the amphitheater of the Marilyn and James Simons Conference Center at its full capacity.

The Léon Motchane amphitheater, located in the main scientific building (with 60 seats), will be open to those who would choose to follow the talks/courses live broadcast.

Every participant shall wear a mask in the foyer and in the auditorium of the conference center. Speakers will be free to wear their mask or not during their talk if they feel more comfortable to speak without it but will have to put it back on as soon as they get back to their seat.

N.B: in the beginning of the school 80 FFP2 can be provided as well as chirurgical masks for everybody. Of course, we encourage you to bring your own masks when possible.

IHES will provide a self antigenic test to every participant and every speaker before they enter the auditorium on the first day as well as a second test to complete during the first week. Those who arrive only on Monday morning are expected to arrive quite early (the reception desk will be open at 8.15 pm on 11 July to make their self-test before entering the auditorium).

The **barrier gestures are still strongly recommended. During the breaks: everyone has to be careful to avoid gatherings in the foyer and to go outside to eat or have their coffees as long as the weather allows it.**

As a quick reminder:

- Wash your hands very often or use hydro-alcoholic gel;
- Use single-use tissues, and then throw them away;
- Cough and sneeze into your arm or into a tissue;
- Do not shake hands;
- Avoid touching your face;
- **Wear a mask indoors in all shared spaces and take it off only when you are outside (especially during buffets and breaks)**
- Respect social distancing where and when you don't wear a mask;
- **Air rooms as often as possible;**
- Use digital tools ([TousAntiCovid](#), available in English).

In addition, you must stay home, get tested asap and inform Elisabeth Jasserand (jasserand@ihes.fr – +33 (0)1 60 92 66 04) or Emmanuel Hermand, the Secretary General, (hermand@ihes.fr)

- if you have Covid symptoms,
- if you or one of your relatives have been tested positive,
- if you've been in contact with anyone who is positive.

In all of these situations, **if your test is positive:**

- you are vaccinated: you must self-isolate during 7 days before coming back at IHES with the possibility to come after 5 days if a new test is negative
- you are not vaccinated you must self-isolate during 10 days before coming back at IHES with the possibility to come after 7 days if a new test is negative.
