

Quantum and classical fields interacting with geometry, Paris

mercredi 17 avril 2024

Junior talks (09:45 - 12:00)

time	[id] title	presenter
09:45	[84] An analogue of non-interacting quantum field theory in Riemannian signature	MOLODYK, Mikhail
11:00	[85] Functional Renormalization and the Nash-Moser theorem	D'ANGELO, Edoardo
