

# Journées autour des écoulements granulaires

## Monday, July 3, 2023

### Lundi après-midi: Session 1 - Amphi Hennequin (2:00 PM - 3:40 PM)

time	[id] title	presenter
2:00 PM	[86] Crossing approaches to better understand (and model) bedload transport and granular media	MAURIN, Raphael
2:50 PM	[92] Numerical analysis at the particle scale of granular flow hysteresis on an inclined plane	LAMBERT, Clovis

### Lundi après-midi: Session 2 - Amphi Hennequin (4:00 PM - 5:40 PM)

time	[id] title	presenter
4:00 PM	[93] Grain size segregation in bedload sediment transport	FREY, Philippe
4:50 PM	[88] A well-balanced entropy scheme for a shallow water type system describing two-phase debris flows	DRACH, Elias
